 Mar del Plata, Argentina

About Me

I am currently working on product sales and content creation for Casa Butera. I'm looking to expand my knowledge in the area of Web Design. I'm currently studying at CoderHouse Javascript and React. I also have knowledge of UX and other tools like Photoshop, Illustrator and Figma.

Skills

Figma	HTML
Adobe Photoshop	CSS
Adobe Illustrator	Javascript

Language

Spanish	Native
English	Intermediate
Italian	Basic
